Dear Mr. President

As you know, I recently had occasion to purchase two carpets for my office at The News-Gazette, and chose your Rug Gallery to make that purchase, in part as a result of your long history as a client.

It was my pleasure to be assisted in this by Mr. Amindavar.

I must tell you that I have rarely, if ever, enjoyed better customer service anywhere. Mr. Amindavar was a delight to deal with – knowledgeable, hard working, courteous and most accommodating in assuring my satisfaction. I could hardly be more pleased with the results.

I told him and I'll reiterate to you, that if you ever need a reference, please do not hesitate to use my name. I'll be happy to share my experience with any prospective customer.

Thank you.

Best regards,

John R. Foreman
